

## **Behaviour Policy 2020 Covid-19 Addendum**

At Huncote Primary School we aim to maintain a secure, caring and stimulating environment in which children are encouraged to have respect for themselves and each other. Whilst expectations in our Behaviour Policy remain pertinent, it is necessary, in light of the Covid-19 pandemic, to make some adjustments for the safety of all pupils and staff. These adjustments are set out below:

### **Arrivals, Departures and Moving round the school.**

Children will enter school through their designated entrance. Children will enter individually wherever possible and will go straight to their classroom entrance.

At their designated home time, children will leave the building from their designated exit. They will leave one at a time when their parent has come to collect them.

Movement around the school will be limited. When the children leave their classroom to go outside for break, lunch or outdoor learning, they will follow the markers on the floor to ensure they follow the one way system and to stop interactions between peers and adults. Children will follow an adult from their class on their designated route.

### **Handwashing and Hygiene**

Children will be expected to follow all handwashing and hygiene routines while in school. Children will wash hands upon entering school, before and after eating and at regular intervals during the day.

We ask children to follow the catch it, bin it, kill it, mantra when in school, if they need to cough or sneeze, they should use a tissue or crook of their arm. Children will be reminded not to touch their face, mouth, nose or eyes while at school.

Should a child refuse to follow these routines, disciplinary procedures and sanctions will be used (see below).

### **Social Distancing**

Children who are old enough will be expected to socially distance from adults in school and on the playground/field at all times. Children will be encouraged to minimize touching of their peers. When children enter their class, they will be expected to go straight to their table and nowhere else in the room. Children will put their hand up if they need an adult's support, they will not get out of their seats. Should a child refuse to follow social distancing measures, disciplinary procedures and sanctions will be used (see below).

### **Toilets**

Each class or bubble will have their own toilets to use. Children will be encouraged to use the toilets in a small number at a time (this may not always be possible with reception children). When a child has finished in the toilet they must wash their hands.

### **Break and Lunch times**

Children will have a designated place to play during break and lunch times. They will have their own equipment for their bubble.

Children will be expected to remain socially distant from adults during play and break times. Children must stay in their designated area at all times.

Lunch will be eaten in the hall for EYFS/KS1 children and in their classroom for KS2 children. Children will eat at their table or in their own space. They will not get out of their seats.

### **Rewards**

The team/individual point system in school will continue to be used during Covid-19. Teachers and Teaching Assistants welcome opportunities to praise individuals for good work, attitude or good behaviour, and show recognition, if these are brought to their attention. Above all praise and encouragement should be used as much as possible. Walking through school to show their work to the Head Teacher or other adult for acknowledgement and praise during this time will not be permitted.

### **4 point plan**

The 3 strike system plan that all teachers follow within school, has been amended. Detention is no longer an option due to staff capacity and safety measures in place for Covid-19. The 4 point plan is shown below:

- 1. Verbal reminder eg stop tapping, thank you.**
- 2. Verbal reprimand-stop tapping or you are choosing to lose some of your playtime.**
- 3. Withdrawal of privilege (loss of: some playtime, a treat)**
- 4. Loss of all playtime – supervised within classroom by staff bubble.**

If a child's behaviour is deemed high risk, for example, refusing to adhere to safety measures, such as, hand washing, social distancing, remaining in their bubbles or deliberate behaviours that put themselves or others at risk, such as spitting or deliberately coughing at people. The following sanctions and disciplinary procedures could be used:

- 1. Referral to Headteacher**
- 2. Parents/Carers called to collect child from school immediately**
- 3. Immediate swap from onsite education offer to online/virtual education offer**
- 4. Fixed term exclusion**
- 5. Permanent exclusion**

### **Positive Handling & Restraint**

There can be times when a pupil's behaviour requires staff physical support to ensure the pupils' own safety, the safety of other pupils and staff, or that property is not seriously damaged. This can require the use of physical interventions.

In the case of a child being at risk, putting others at risk or damaging property the child's parents or carers will be called and asked to pick up their child immediately. The situation will then be reviewed by the Headteacher and a decision of whether the onsite education offer will be withdrawn in favour of the online/virtual offer if this is deemed safer for all pupils and staff.

Where a child may need very close contact it is imperative that parents know that the use of PPE where appropriate WILL be used to help avoid cross contamination or any potential virus spread.

**Pupils working from home.**

If interacting with other pupils or staff online, students should always be kind and respectful to each other as well as respectful and obedient to staff, remembering at all times that staff are not 'friends' with, or peers to, pupils.

Students should never attempt to contact staff via social media or make comments about staff on social media platforms. Any inappropriate comments to staff online, via email, or any other platform will be taken very seriously and could result in a referral to the police. This is also the case for any online bullying towards other pupils or peer-on-peer abuse that is disclosed to the school during this time.
