From Mrs Cumberlidge...

Welcome to any new parents of new pupils in school – so far we have Lyra in Year 5 and Avie & Brody in Yr 3 and Yr 1; along with all the parents of our new intake into Foundation Stage. This year we have 23 children who have just completed their first two full days in school. All of them are doing very well!

Dates for the rest of this half-term so far are in the box to the left – please stick this on the fridge or noticeboard so you know what is happening. The newsletter also goes on the website every time and there is also a calendar with dates on that we try our hardest to keep updated. As you can see we already have a busy time ahead planned!

More information will be released via letter regarding the information evenings we have planned. KS2 are hoping to plan an evening later on this term with a focus on Maths.

Clubs have been very popular again and thank you for your prompt returns. Some are now full unfortunately - Dodgeball!

Fundraisers have asked me to promote their first meeting of the year on Monday at 7.30pm in the Red Lion – all members welcome and also any new members who wish to join either from the new intake or anyone else. You can get involved as much or as little as you like.

Open Assembly is a time when any parent/grandparent/auntie/uncle etc are invited in to our assembly beginning at 9.15am to see every class present something from what they have been learning about in class. Please note the doors will open at 8.50am to enter the hall and our Fundraisers will have tea/ coffee and biscuits available for a small donation.

Last Friday Yrs 5/6 had a fabulous time at the Education Day of the Victory Show. This has kicked off their Japan topic with links to WWII. Photos are overleaf. Many thanks to Mr Stretton who also accompanied the children.

On Tuesday we had a treat in school. A company came in and did an adaptation of the famous book 'Charlotte's Web' with Wilbur the pig (there is also the film titled 'Babe'). Contrary to popular belief it was not a 'panto' but because it was delivered in a similar way with actors/scenery and in the hall like we have for the panto I heard many younger children saying to parents it was! They all enjoyed it never the less ☺.

Please remember that any child that is aged 5 will have any holiday requests referred to the LA for them to make the decision regarding a fine, no money from these comes to the school. It is something I am required to do by law and all cases are treated in a consistent and fair way. This does include holidays that are split around a school holiday – the days are classed as school days that run into each other so if some are before and some are after it still counts. Please also remember that children very often will say they have been on holiday and not say they have been sick..... please do not ask them to lie it is not something any adult should condone! And the tan lines give it away!
