From Mrs Cumberlidge...

Welcome to our November newsletter.....wow we have been busy! Our running track is finally finished and this week the children have been getting used to the track and getting used to the timetable we have created for a trial run. Thank you once again to Fundraisers who have helped make this happen – as well as to all the parents who contribute. Hopefully you have all ordered your Christmas Cards and Tea Towels! The school has been very over the last 4 weeks with lots of events happening.

Last Friday for Children in Need we made approx. £160 for non-uniform and an amazing £153 for the bake sale. Thank you so much to those who baked and those that bought; and those that baked and bought! Thank you also to my super school councillors who helped sell and those that rounded everyone up on the playground ☺.

Last week Year 6 went to The Warning Zone and had a very enjoyable and also very educational day. They always learn so much on this trip every year. Year 3 & 4 Girls played a football tournament at Brockington and came a magnificent 2nd place as well as really enjoying themselves! Well done girls!

Lucy in Year 3 produced a winning runner up poster for the Everybody Active poster competition winning a goody bag for herself and free swimming lessons for a term. The school has also won £250 of sporting equipment which we are going to use for playground equipment at lunch and break. Well done Lucy!

Thank you for the brilliant job you all did of collecting the Aldi stickers for our posters – we managed to complete two posters and have sent off for our free kits. Keep your fingers crossed we win the £20,000 big prize!

We have been doing Anti-bullying in assembly these last 2 weeks and so the word bullying may be being mentioned at home a lot.

From Mrs Cumberlidge contd...

Cross country runners at the Blaby Competition held at Vipers all did so well...with the Year 3 Girls and the Year 6 Boys coming in first place! Some of them have also been doing very well at the Prestwold Hall running event as well.

The track is open....a timetable has been set so far and we are having a few weeks to settle into using it. We are hoping to take part in a Leicestershire and Rutland initiative called the 'Daily Boost' after Christmas. The children know that the track is 217m long and so takes just over 7 laps to run a mile! They have loved having a go so far ☺.

Thank you for buying poppies etc for the Poppy appeal – we raised £219.32 – amazing!

Congratulations!

Lydia in Year 2 has won an award from Blaby District Council for the 'Young Achiever of the Year' Award. She has won it for her karate and sports, as she was told she was not allowed to do sport especially karate, due to her hip. Congratulations Lydia!

Reminders:

I have received a number of complaints regarding driving in the vicinity of the school and also the usual complaints about parking – this time from our own parents not just the nearby residents. Please ensure you park considerately and that you adhere to the 20 miles an hour speed sign when the flashing lights are on at the beginning and end of the school day. The last thing we all want I am sure is an accident to happen!
