From Mrs Cumberlidge...

Welcome to our January newsletter.....Happy New Year to those I haven't seen!
We have had a good start to the term and fingers crossed the worst of the chicken pox is over.

The children have already taken part in a Yrs 3&4 Benchball tournament and came a magnificent 2nd place and 4th place for the two teams. Hopefully this week we will have our first league game of footy for the boys; unfortunately the girl's game was cancelled due to the weather. We are hoping to rearrange this for next week.

All of the children have also taken part in a Multi Faith Roadshow last week. Thank you to the parents and grandparents who managed to come along to experience this as well in one of the sessions. Lots of religions were represented and once again every child was a really good ambassador of our school. All children enjoyed the roadshow at their level and follow-up work has been completed.

The goodies that Lucy in Year 3 won for the school with her colouring competition have arrived so we are hoping to get the playground cleaned up and re-sanded as soon as possible and get the equipment out.

We are once again not dressing up for World Book Day – as it has been proven that this actually distracts from the true meaning – books. We will instead be asking the children to enter a competition – details to follow when Miss Nutt has met with the school council.

The residential/ SATs meeting on 4th Feb for Yrs 5 & 6 is very important. Yr 5 parents for the residential part (if Yr 6 came last year then won't be very useful!) but please then come for the SATs session afterwards. Yr 5 parents can stay if they wish...but don't worry we will repeat this next year too!

On this day we are inviting all our clubs and local businesses to the centre to promote themselves as well as offer free tasters. We will also be running a soft play session and offering free gym, classes and personal training to those with a Huncote Postcode.

Once again a reminder that it is only water that goes in the water bottle in the classroom please. That's what makes our brains healthy and work more!
