

Summer Reading Challenge

The summer holidays is the perfect time to relax and catch up on some reading. We would love you all to try and complete one challenge a week. Then please share any pictures of you completing these activities on the school Twitter feed so tweet to @huncoteprimary or email pictures of you working - remember to send it to your current teacher.

Read a book in an unusual place and share a picture of you doing this!

Buy your favourite magazine and read it in the sunshine.

Read a book by an author you've never read before.

Read a book that has been turned into a movie (and then watch the movie afterwards). Or read a picture book and see if the story is on Youtube. Which was better?

Read, listen to (or re-read) a Harry Potter book!
<https://www.wizardingworld.com/collections/harry-potter-at-home>
Younger children—find a book about wizards or witches to share!

Read a book that was a family member's favourite book when they were your age or read a book that was written before you were born!

Read a book where the main character is an animal. (Older children: If you need inspiration . . . Varjak Paw is brilliant!)

Read a book with a main character who is very different to you e.g. maybe they live in a different place, have a different family experience or have different abilities to you.

Read or listen to different poems. Record yourself reading a poem and share with friends!
Check out Michael Rosen for inspiration, especially if you love chocolate cake.
