

ROUTE TO RESILIENCE

IN SCHOOL | AT HOME | FOR LIFE

As part of our Route to Resilience (R2R) work this year, we would love to collect some ‘wow’ moments about our children. We are trying to encourage everyone to look for the following character traits to help our mental wellbeing:

appreciation, confidence, connections (making links), courage, creativity, curiosity, empathy, enthusiasm, good humour, have a go (risk taking), integrity, listening, optimism, perseverance, problem solving, reasoning, resilience, reviewing (improving/revising), teamwork and thinking critically.

Please let us know when you have seen these character traits in your child/children – we want to celebrate these moments together. Please return this form to the school office. You can also send in emails to office@huncote.leics.sch.uk labeled FAO Jill Matthews. Photos welcomed too.
