

Times Tables Meeting

- All children should be **fluent (recall at speed)** in all of the times tables by the end of Year 4.
- The current **Year 4** children will sit the pilot test in between 10th June and 28th June this year to see how they are doing, no results are reported.
- The current **Year 3** children will sit the test in 2020 and the results will be statutory and all Year 4 children will be required to sit the check.

About the check

- The check will take place online where one question will come up at a time.
- There will be a total of 25 'random' questions.
- Each pupil will have 6 seconds to answer the question and then it will disappear and a new one will appear.
- There is an emphasis on 6,7,8,9 and 12 multiplication tables (4 questions from each of these times tables) but the others will be covered too.

What are we doing to help your children?

- Timed times table challenge:
- Year 2 expectations: 2,5,10 and now **3** times tables
- Year 3 expectations: 3,4,8, and now **6** and **11** times tables.
- Year 4 expectations: **6**,7, 9, **11** and 12
- We have moved some tables into the previous year groups so more time can be spent on recall in Year 4.

Seeing the link between the times tables

- 2, 4 & 8- double, double then double again.
- 3 & 6- double

Use known facts

- If you know 5×6 you can $+6$ to work out 6×6
- If you know 10×6 you can $+6$ to work out 11×6 or -6 to work out 9×6
- Tricks- 9 times table

Seeing patterns

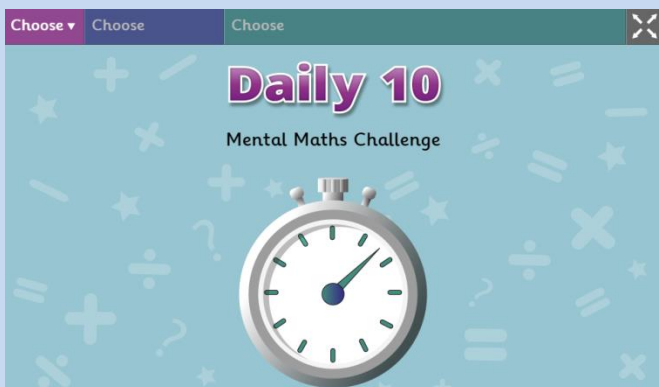

11 times table

1	x	11	=	11
2	x	11	=	22
3	x	11	=	33
4	x	11	=	44
5	x	11	=	55
6	x	11	=	66
7	x	11	=	77
8	x	11	=	88
9	x	11	=	99
10	x	11	=	110
11	x	11	=	121
12	x	11	=	132

Timestables.co.uk

1	x	10	=	10
2	x	10	=	20
3	x	10	=	30
4	x	10	=	40
5	x	10	=	50
6	x	10	=	60
7	x	10	=	70
8	x	10	=	80
9	x	10	=	90
10	x	10	=	100
11	x	10	=	110
12	x	10	=	120
